Genesis Gallery: a part of the LUMC “Community Hub”

- Over 600 people have attended events or visited the gallery to view art since opening Fall 2023.
- Notable events include:
 - American Indian Festival Exhibition
 - Weekly Qi Gong Class
 - Halloween Party
 - Book Signings
 - Artist Discussions

Your support helped to create a completely new gallery in the 40W Arts District.

It led to the investment in gallery lighting, paint for the walls, and additional renovation.

But we aren't done! If you are interested in investing further in the completion of renovating this gallery space, let us know!

Thank you WCCA for your support!
